Extra Info

Shtetl Band Amsterdam technical rider 2016

STYLE AND VOLUME We play semi-acoustic folk music with a village sound. The level of amplification should be loud enough for all the audience to hear the music. Louder is not necessary and unwanted.

MUSICIANS AND PLACEMENT 4 musicians, in a semi-circle. Placement, left to right, as seen from the audience violin 1 / violin 2 / accordion / smallstring bass / percussion

INSTRUMENTS AND CHANNELS

- 1: violin 1: brings own wireless system, needs XLR.
- 2: violin 2: brings own wireless system, needs XLR
- 3+4 : accordion: needs two condenser mics on stands.
- 5: small string bass: brings own wired system, needs phantom powered XLR.
- 6+7: percussion (small drum with cymbal, played occasionally by 2nd violin) : needs two condenser mics on stands.

SPEECH MICS 1x speech mic no stand.

MONITORS 3 monitors, in separate groups.

LIGHT Standard setting is OK. We prefer warm colors. No special effects needed.

SMOKE Do not use a smoke machine.
